## CURRENT ISSUES OF SPORTS MEDICINE

- L. I.-H. Shakhlina.** A modern view on the problem of "female athlete triad" syndrome . . . . . 3
- V. Horoshko.** Functional diagnostics of the state of health using an express test for changing the critical flicker fusion frequency . . . . . 14
- L. M. Putro, O. I. Tsyganenko, D. M. Kotko, N. L. Honcharuk.** The essential trace element selenium (se) and its role in the metabolism of athletes during intensive physical loads (review of special literature) . . . . . 21
- O. I. Tsyhanenko, L. M. Putro, N. A. Skliarova, L. F. Oksamytna.** Hygienic diagnosis of chronotypes and chronotypological features of female athletes . . . . . 26
- O. I. Osadcha, O. O. Pavlova.** Ecological triad in sport. Modern view . . . . . 31
- O. A. Dulo, I. M. Dido.** The influence of the physical therapy and occupational therapy program on cognitive functions in persons with right-hemispheric inchemic stroke complicated by neglect . . . . . 35

## SPORTS TRAUMATOLOGY, RISK FACTORS OF SPORTS INJURIES, THEIR PREVENTION

- O. K. Nikanorov, T. S. Borsukevych.** Risk factors for complications after surgical treatment of fractures of the articulatio talocruralis . . . . . 43
- O. O. Vynohradov, O. I. Huzhva, I. S. Kozlovskiy, V. S. Volodina.** Evaluation of the dynamics of the upper extremity function recovery in patients after ischemic stroke . . . . . 48

## MEDICO-BIOLOGICAL ISSUES OF HEALTH RELATED MOTOR ACTIVITY

- Parish Mohammad Reza.** The role of recreation in rehabilitation: a systematic review . . . . . 52

## SPORTS MEDICINE, PHYSICAL THERAPY AND OCCUPATIONAL THERAPY

Scientific journal for scientists, specialists in the field of sports medicine, physical therapy and occupational therapy, coaches, athletes, research-pedagogical staff of higher education institutions of medical and sports orientation

**Founder and publisher** – National University of Physical Education and Sport of Ukraine

### Editor-in-chief

**S. M. Futornyj,** Candidate of Medicine, Doctor of Sc. in Physical Education and Sport (Ukraine)

### Associate editors-in-chief

**L. Ya.-G. Shakhlina,** Doctor of Medicine (Ukraine)

**O. I. Osadcha,** Candidate of Biology (Ukraine)

### Editorial council:

**Zh. Andasova,** Candidate of Medicine (Republic of Kazakhstan)

**S. M. Afanasyev,** Doctor of Sc. in Physical Education and Sport (Ukraine)

**O. V. Borysova,** Doctor of Sc. in Physical Education and Sport (Ukraine)

**N. I. Vladimirova,** Doctor of Medicine (Ukraine)

# PROBLEMS OF MEDICAL, PHYSICAL THERAPY AND OCCUPATIONAL THERAPY

<b>V. I. Voronova, O. B. Lazarijeva, A. V. Kovelska, O. V. Kobinskyi.</b> Modern approaches to the use of physical therapy aimed at restoring postural control and walking in people with the consequences of traumatic brain injury. . . . .	57
<b>M. H. Aravitska, O. B. Lazarijeva.</b> The importance of patient compliance in long-term lifestyle modification in the process of body mass correction . . . . .	64
<b>I. M. Kopytina, A. V. Iermolaieva.</b> Ergotherapy as a means of developing the independence of people with severe visual impairments and blindness in sanatorium conditions . . . . .	73
<b>A. S. Boyko, K. V. Koliushko.</b> Algorithm of physical therapy of persons after total hip arthroplasty in III-IV phase of the recovery process. . . . .	79
<b>A. A. Zgurskyi, N. V. Checher.</b> Analysis of existing approaches to physical therapy of patients with nonspecific low back pain . . . . .	85
<b>M. M. Vinogradov, O. B. Lazarijeva.</b> High-intensity training as a means of physical therapy during left hemispheric hemorrhagic strokes: review of foreign experience . . . . .	90
<b>V. V. Vitomskyi, O. B. Lazarijeva, M. V. Vitomska, S. V. Havreliuk.</b> Restrictions and warnings in physical therapy of cardiac surgery patients after sternotomy . . .	95
<b>H. S. Ilnytska, N. O. Zelenenko, S. V. Ilnitskyi, I. V. Kozeiev.</b> Endogenous respiration as a component of therapeutic exercises for the elderly with pneumonia caused by Covid-19 (on the example of using the Frolov apparatus) . . . . .	105
<b>I. V. Kopochnytska, N. L. Kovalenko.</b> Qigong system and yoga therapy as a means of physical rehabilitation of patients with hypertension . . . . .	110
<b>H. B. Labinska.</b> Peculiarities of manual therapy in patients with the vertebral artery syndrome . . . . .	114
<b>A. I. Labinskyi.</b> Electromyographic studies of patients with non-motor manifestations of Parkinson's disease . . . . .	118
<b>A. V. Kavetskyi, O. V. Bismak.</b> Restoration of motion coordination during ataxia of cerebellar genesis with use of high-intensity physical therapy and video games . . . . .	122
<b>S. Fedorchuk, V. Kravchenko, K. Fibakh, O. Lysenko, O. Shynkaruk.</b> State of neurodynamic functions and dynamic muscular endurance of skilled rowers. . . .	128

**I. O. Zharova,** Doctor of Sc. in Physical Education and Sport (Ukraine)  
**V. M. Ilyin,** Doctor of Biology (Ukraine)  
**V. O. Kashuba,** Doctor of Sc. in Physical Education and Sport (Ukraine)  
**V. V. Klapchuk,** Doctor of Medicine (Ukraine)  
**T. I. Krutsevich,** Doctor of Sc. in Physical Education and Sport (Ukraine)  
**M. G. Kruchinskiy,** Doctor of Medicine (Belarus)  
**O. B. Lazarijeva,** Doctor of Sc. in Physical Education and Sport (Ukraine)  
**A. P. Landyr,** Candidate of Medicine (Estonia)  
**O. M. Lysenko,** Doctor of Biology (Ukraine)  
**O. V. Maslova,** Candidate of Sc. in Physical Education and Sport (Ukraine)  
**N. V. Moskalenko,** Doctor of Sc. in Physical Education and Sport (Ukraine)  
**O. B. Nekhanovich,** Doctor of Medicine (Ukraine)  
**I. V. Percheguba,** Candidate of Medicine (Ukraine)  
**T. D. Poliakova,** Doctor of Pedagogy (Belarus)  
**T. Soha,** Doctor of Pedagogy (Poland)  
**M. M. Filippov,** Doctor of Biology (Ukraine)  
**O. I. Tsyhanenko,** Doctor of Medicine (Ukraine)  
**Y. Y. Schell,** Doctor of Medicine (Germany)  
**O. A. Shynkaruk,** Doctor of Sc. in Physical Education and Sport (Ukraine)  
**O. H. Iushkovska,** Doctor of Medicine (Ukraine)  
**I. D. Kozak** (Ukraine)

## Journal is included in the database:

Index Copernicus International, Google Scholar, WorldCat  
National Library of Ukraine behalf of V. I. Vernadsky

ISSN: 2709-2089 (Online), 2709-2070 (Print)

Issue № 2/2020 was approved by Scientific Council of NUPESU  
on 31.08.2020, protocol № 1

The publication is included in the list of printed scientific professional publications of Ukraine of **B category in medical sciences** (specialty 227 Physical therapy, ergotherapy), **physical education and sport** (specialty 017 Physical education and sport), which can publish the results of dissertations for scientific degrees of Doctor of Sciences, Candidate of Sciences and degree of Doctor of Philosophy (approved by the order of the Ministry of Education and Science of Ukraine of December 28, 2019 № 1643 (as amended on July 2, 2020 № 886)).
